Working Paper 178 “Constrained plott equilibria, directional equilibria, &
global cycling sets” has been published in *Review of Economic Studies*, Vol.

If you are unable to obtain the published version on the web or library
contact the Working Paper Coordinator (sswp@hss.caltech.edu) and we will
send you a copy.

If you need the original working paper please e-mail the Working Paper
Coordinator to request a copy. We do not have all of the original working
papers but will do our best to find a copy. It will most likely be in paper
format. If so please include your mailing address.
